

Login with Local Account

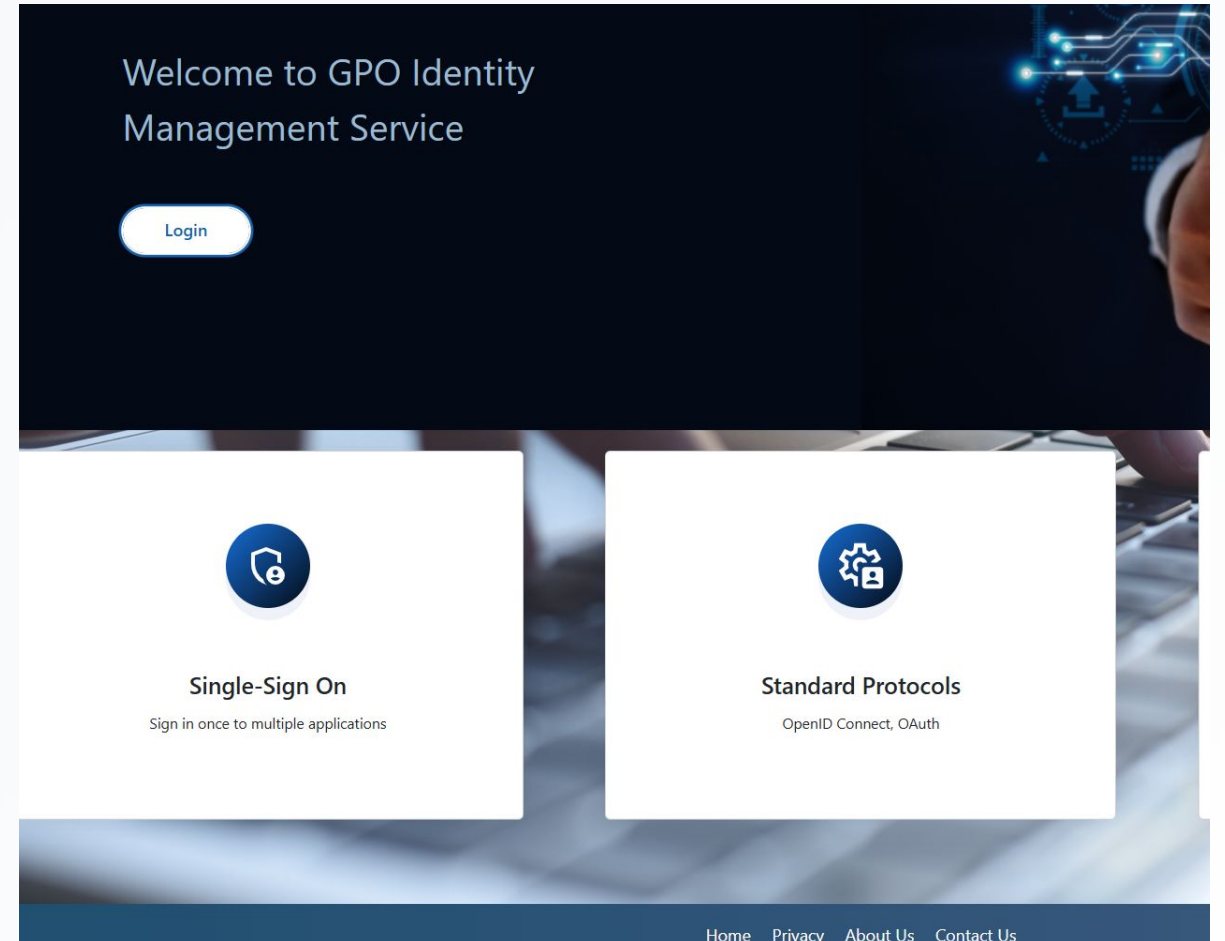

Instructional guide for accessing the GPO IMS portal using your standard registered email and password.

1. Navigate to Portal

Access the Login Screen

Begin the standard authentication process by visiting the official GPO Identity Management Service landing page.

-  Go to the GPO IMS portal homepage.
-  Click the **Login** button on the screen
-  You will be directed to the standard Sign In form.

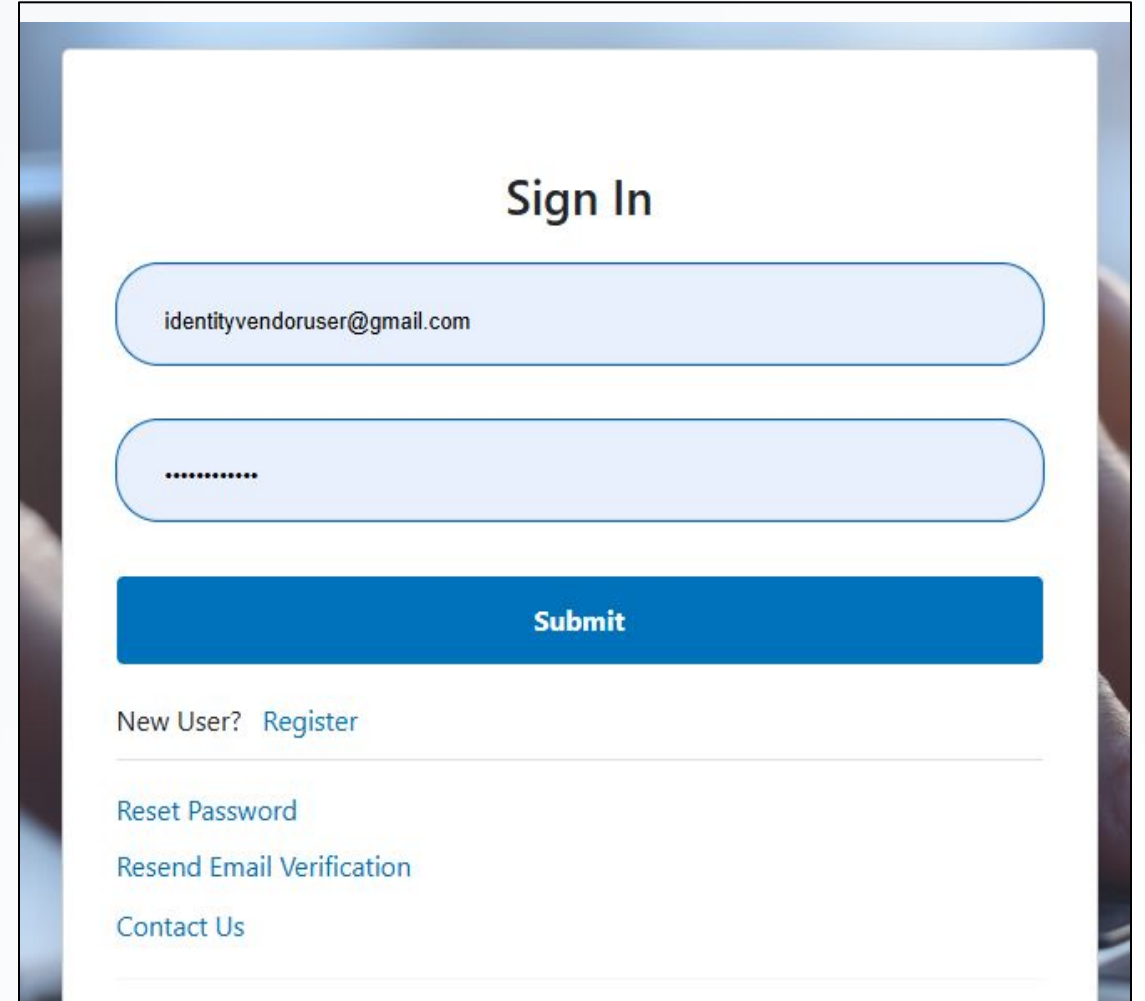

2. Enter Profile Credentials

Local Identity Entry

Provide the dedicated security credentials you selected when you first registered your IMS account profile.

-  Input your associated **Email Address**.
-  Input your secure local **Password**.

The image shows a 'Sign In' form with the following elements:

- Sign In** (Title)
